Turn off A31 at north end (Holybourne) and follow road for one mile. Go straight across the first mini roundabout and at the second (by Crown Hotel) turn right into Church Street. Shortly after, turn left at next mini roundabout down Vicarage Hill. This road leads into Bank car park which is adjacent to Community Centre.

### Directions from Winchester/Selborne

If on A31, turn off onto Selborne Road, bringing you to a double roundabout. Take the outside of the first larger roundabout and take the second exit, turning left under the arched bridge into Whitedown Lane (A339). At the tee junction, turn right onto the Basingstoke Road (B3349). \*Half a mile on, cross the mini roundabout and continue along Lenten Street. You will reach a point where you are obliged to turn left into Amery Street. Follow this round and to the right. Just before the road bears left up the hill, turn right into Bank car park which is adjacent to the Community Centre.
